Title：	Regulations Governing Mobile Broadband Dedicated Telecommunications Network Fee-Charging Standards Ch
Date：	2023.06.01
Content：	Regulations Governing Mobile Broadband Dedicated Telecommunications Network Fee-Charging Standards Article 1　The Regulations are formulated in accordance with the Telecommunications Management Act, Article 92. Article 2　For the review, inspection and license issuance, renewal, and reissuance of the establishment of mobile broadband dedicated telecommunications networks, the fee-charging standards are as per the attached table. Article 3　After paying the fees in accordance with the fee-charging standards, the applicant shall not apply for a refund unless the fee is overpaid or paid in error, or otherwise provided by laws and regulations. Article 4　The Regulations shall be enforced as of the date of promulgation.
